### Important

#### Parking on Hession St.

The school received a call from our neighbor on Hession Street. Parents are continuing to park in spots that are illegal and do not allow the school buses to get up the street.

Please support our neighbors the way that they support our school. Do not park illegally on Hession Street. It is possible for the police to begin to ticket/tow cars parked illegally.

### Arriving to School

Students should arrive to school between 9:15 - 9:20 a.m. The doors open at 9:20 a.m. and students should report directly to homerooms for breakfast. If students arrive earlier than 9:15 a.m., students should be with an adult.

### Attendance

As we begin the second term, parents should remember that students are allowed a total of 7 unexcused absences for the term. It is important to send a note after an absence so we can determine if we can excuse the absence. Cases with 8 unexcused absences are referred to the Attendance Officer.
